REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Whale Branch Early College High School has completed another successful year with many accomplishments. Once again, we had students who graduated from the Technical College of the Lowcountry; two graduating with double associate degrees and others with diplomas and certificates in various areas of study. Eighty- three percent of our seniors last year graduated with college acceptance letters or contracts to join the military and 87% graduated this spring ready to go into college or the military.

We are proud of the graduation rate of our first graduating class. It was one of the highest in our district. We expect that trend to continue. Our students showed significant growth on their HSAP results.

Whale Branch Early College High School also has students who will be attending college on full academic and athletic scholarships.

Our students not only proved their ability to be successful academically but athletically as well. We had a student wrestler who was the Heavy Weight State Wrestling Champion, Girls and Boys Basketball teams were Region champions, Boys Basketball team was Lower-State champions and State Runner-up, Boys and Girls Track and Field were Region Champions, and 4/800 - Gold Medal State Championship. There were a number of students who were selected for All State and Region Player of the Year. Coaches of the Year and Athletic Director of the Year are among other achievements by members of our Warrior family. We are proud of the accomplishments of our Warrior family.

Whale Branch Early College High School is a unique and wonderful place to learn. A place where students study, achieve, and grow into responsible and productive adults. This is all done through the collaboration of parents, teachers, students and community working together as a team as we strive towards excellence.
